)

Web Site: www.medguardalert.com/

Eligibility: Accepts Mainecare/Medicaid

Notes: MedGuard Alert, Inc offers all system types, from basic in home units to elaborate mobile GPS systems with fall detection and built in health monitoring sensors, ie. blood pressure, oxygen, heart rate, etc. MedGuard Alert, Inc. has over 20 years experience in medical alarms and senior safety products. The Service is customized to suit each individual's needs. For subscribers who are homebound or never go out by themselves, the in-home unit is recommended. Medguard Alert has a traditional landline unit that connects to the main phone jack in the home. That service works with VOIP, DSL, and various Cable modems. They also have a Cellular In-Home Unit, for those Subscribers that no longer have a landline. For those Subscribers who drive and are out and about frequently by themselves, we offer Mobile Help Devices that provide protection wherever they are in the United States, whether they are inside or outside of their home.

Private pay options range from \$19.95 to \$49.95 per month depending on the service level. Mainecare eligible provider for those under the Waiver Program. Service area: Cumberland and York County as well as Statewide.
