The New England Division of the American Cancer Society offers information and support for persons affected with cancer. Find support groups, programs, and services in your area. Programs include transportation to appointments, peer support from cancer survivors, and a variety of wellness, support, and informational programs. Please call FMI about programs in your area.

Road to Recovery is an American Cancer Society service that provides free transportation for cancer patients to their treatments and home again. Transportation is provided according to the needs and available resources in the community, and is available for cancer patients that cannot drive themselves to treatment, that do not have insurance to cover transportation services or that do not have family members or friends that can help with a ride. Some exceptions can be made in special situations. Road to Recovery transportation is provided by trained volunteers who use their own vehicles to give this service. Patients must be ambulatory. Please call at least a week before a ride is needed (the more advance notice the better). For more information www.cancer.org/support-programs-and-services/road-to-recovery.html.

We do everything we can to answer a call for help. FCS also provides enrichment programs to help children and adults thrive and reach their full potential in our community.

Age-Friendly Freeport & Pownal is a volunteer-driven, formal network of community collaborators, individual residents and groups as well as community organizations interested in making sure our community works for all residents (all ages, disabled, etc.) now and long term. Contact: Age Friendly Freeport & Pownal Coordinator, (207) 865-3985 x222.

The FCS Transportation Program provides rides to medical and counseling appointments for Freeport and Pownal residents. Rides are available to those who are temporarily or permanently unable to drive, have no vehicle, and have no other means of transportation. The service is free of charge to all riders. This service is made possible through the generosity of our volunteer drivers. Volunteers donate their time, vehicle and fuel to provide this service. The transportation program would not exist without them! Volunteer drivers are available Monday through Friday from 8am – 5pm. 3 business days notice is required for all ride requests. All new riders must complete a Rider Application.

FCS also makes funds available to meet specific needs, such as eye glasses and medications, even diabetic testing supplies. Donations to these funds are always welcome. Donations of medical supplies are accepted. Please call 865-3985 x205. The free medical equipment loan contains crutches, wheelchairs, walkers, shower benches, raised toilet seats, braces, etc.

The Freeport Rotary Home Repair Program is partnering with Freeport Community Services' "Aging Friendly Freeport/Pownal," a community-led consortium of organizations collaborating to foster initiatives that help people thrive while aging as well as with local police, fire, EMT, and the towns of Pownal and Durham. Eligibility: Age 55 or older

Notes: Independent Seniors Network makes a difference because we start with what seniors believe they need – on their own terms.

We are able to provide a wide range of community-based volunteer services that are requested by seniors or family/friends.

We believe that seniors who wish to keep their independence should be able to stay in their own homes.

Acceptable Member Services:

-Transportation includes round trip and one-way rides to the following destinations: Medical appointments such as office visits,

therapy sessions, dentists, etc. Not including rides to or from an appointment involving anesthesia such as colonoscopies or cardiac catheterizations.

-Daytime Portland Area social/cultural events and senior activities

-Grocery shopping

-Hairdresser or barber appointments

-Running errands

-Respite of up to 3 hours for a caregiver (companionship, not medical care)

-Phone check-ins and friendly visits

-Information about other senior resources in the community

-Computer/technology assistance

-Assistance with shopping for groceries, gifts, prescriptions, household items (either accompanied or unaccompanied)

Light household chores such as: Changing light bulbs or batteries; Hanging pictures; Taking trash to the curb and retrieving receptacles; Returning Clynk bottles; Indoor holiday decorations; Organizing; Light gardening; Simple handyperson jobs (no lifting over 25 pounds or ladders)

Those wishing to join to make use of Independent Seniors Network complete simple applications, beginning with a phone call to 207-370-1896. Members pay an annual membership fee to Portland Area Villages. The fee covers a portion of the operating

expenses. Individual fees are \$275 and Household fees are \$350. Some scholarships are available for lower income members. Payment plans are also an option. Services must be requested 7-10 business days prior to the date of service. Please keep in mind that our office hours are 9:00-1:00 Monday through Friday. This will allow us time to identify and schedule a volunteer for you. Anyone age 60+ or disabled who lives in the Greater Portland area can become a member.

Notes: The Lake Region Senior Service, Inc. has been in existence since 2002. It is a non-profit, service corporation. It implements the Lake Region Senior Transportation Program. The Senior Transportation Programs are a pool of volunteer drivers, generally seniors themselves, using their own vehicles, who drive Senior and Disabled Citizens (without other transportation alternatives) to and from medical appointments. Their drivers are vetted, compassionate and personable. Unfortunately they cannot provide wheelchair/van service. Clients must be able to transfer themselves in and out of vehicles with minimum "hands-on" assistance. They can accommodate clients with walkers or canes as long as they are generally ambulatory. They provide "through-the-door" service and will escort you to the place in the building where you need to be, and we will be there when your appointment has ended. Clients call the Program numbers and leave a message as to their need. The Dispatcher will check messages throughout the day and return the call for ride details and confirmation within 24 hours. They do not drive evenings, weekends, holidays or in unsafe weather. Phone hours are between Monday through Friday from 00am to 5:00pm.

The program uses volunteer drivers in their own cars, and the number of trips that can be scheduled is related to volunteer driver availability. The program is always looking for volunteer drivers (drivers are reimbursed for their vehicle use per mile based on a sliding scale which follows the price of gas). Average, workable notice of 2 weeks is generally required. They utilize a "Schedule of Suggested Donations" which are affordable and vary regarding average distances between residences and medical facilities.

Nearly 100 towns, cities, counties, regions, and the State of Maine have embraced the importance of shaping gre: places for people to age by joining the AARP Network of Age-Friendly States and Communities. In 2022, the University of Maine joined the University of New England as a fully endorsed member of the Age-Friendly University (AFU) Global Network, making Maine a leader nationally and internationally in the age-friendly movement.

Across Maine, grassroots Lifelong Communities, formal members of the AARP Network, and others following a similar path, are leveraging local assets to build community capacity addressing challenges such as accessible spaces, access to technology, food security, home repair, transportation, and social connections.
